

Entrant: _____

Event: _____

Car #: _____ Class: _____

Date: _____

INSTRUCTIONS: Fill in the information above before presenting your care for inspection. As the entrant, it is your responsibility, at all times, to insure that your car is safe to be on the track, in any practice or race. You assume all responsibility and liability concerning the safety and condition of the car and your personal safety equipment.

Roll Bars and Restraints: Approved Roll Bars are required in GT class cars, Modified category convertibles, Targas and Boxster, and Modified category coups prior to 1994. An approved full ROLL CAGE is mandatory in all open cars without a windshield. Cup Racing Participants – Approved roll cages are mandatory in all race classes.

Running in Modified Class w/o airbags and GT Classes, approved 5 or 6-point competition harness with 3” competition lap belts, 3” shoulder harnesses, and minimum one 2” anti-submarine strap are required for driver and instructor. FIA-approved harnesses with 3” shoulder belts with a narrower 2” section for head and neck restraint systems and FIA or SFI-approved 2” lap belts will be allowed. Schroth 4-point ASM technology belts are allowed in 991 GT3, 981 GT4 and 918 cars with the Porsche one-piece carbon seat.
