### **General Competition Rules 2021:**

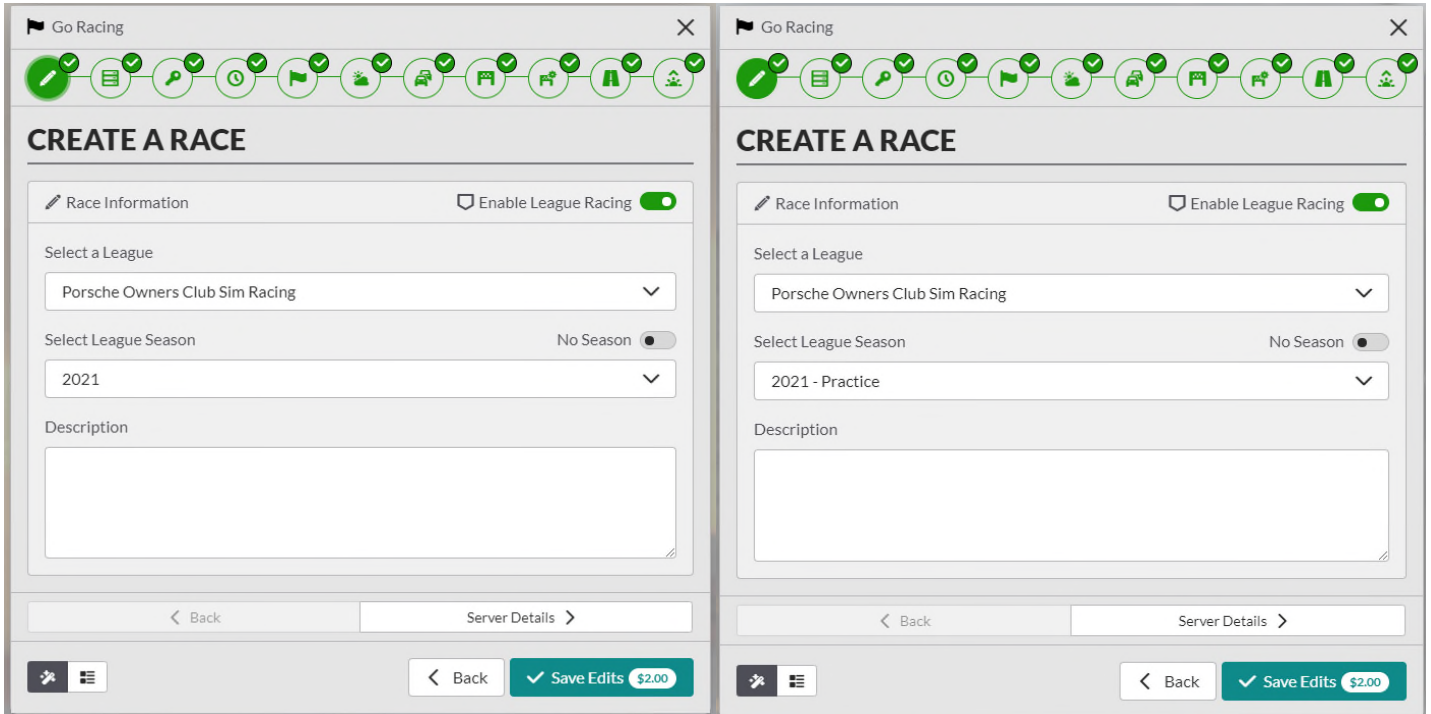

#### **Appendix S – Sim Racing**

**Effective January 1, 2021**

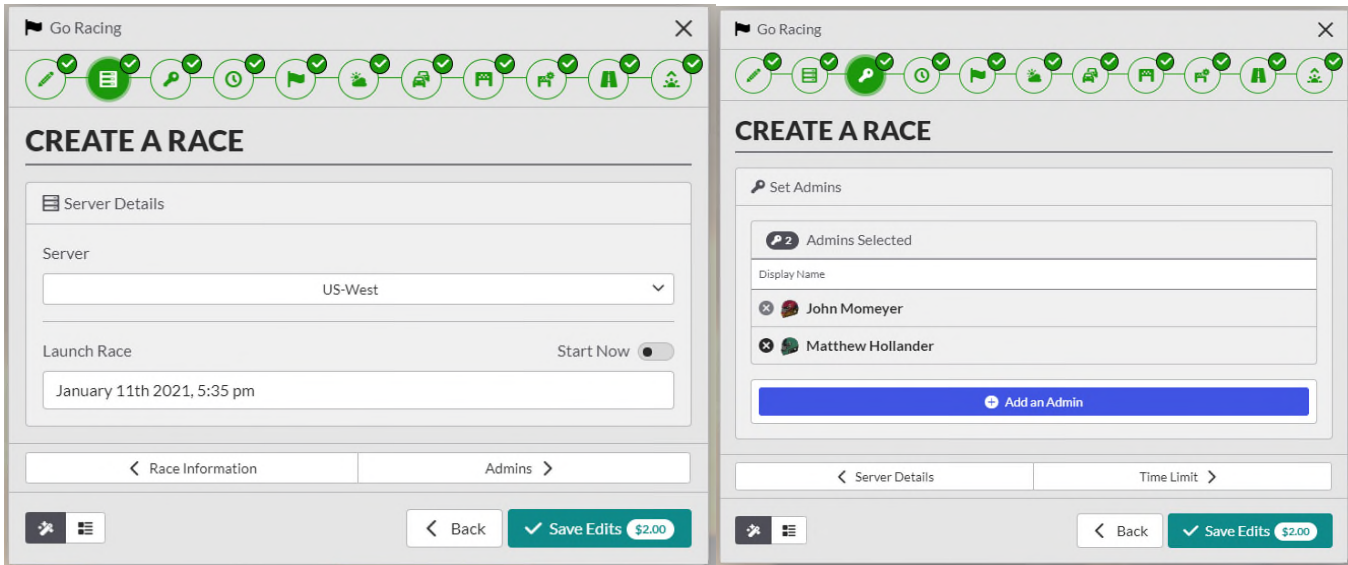

The POC SIM League is on online competitions currently run on the iRacing platform.

Questions concerning these rules should be directed to the POC Competition Director via the official POC website: <http://porscheclub.com>

The below examples are how POC iRacing session parameters should be set to run.

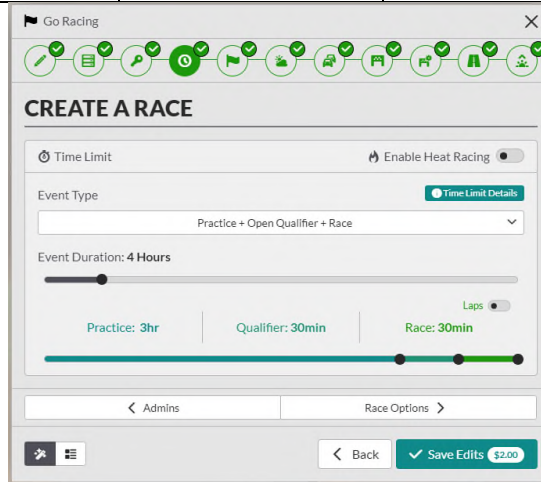

1. When selecting the time to Launch the Race refer to the chart on the next page

2. The following table should be used to establish the timing of events and the length of each section.

a. All times are in Pacific Time

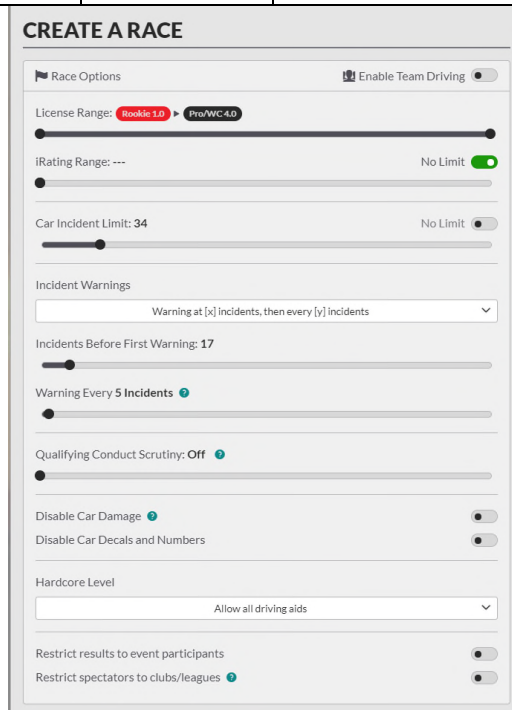

Session Type	Total Session Time	Practice – Start	Qualifier – Start	Race – Start
30 Minute Points Race	4 Hours	3 Hours – 4:30	30 Minutes – 7:30	30 Minutes – 8:00
Daily Practice Session	3 Hours	130 Minutes – 5:35	20 Minutes – 7:35	30 Minutes – 8:05
90 Minute Points Race	4 Hours	2 Hours – 5:30	30 Minutes – 7:30	90 Minutes – 8:00
3 Hours Points Race – Team Event	6 Hours	150 Minutes 5:00	30 Minutes – 7:30	3 Hours – 8:00

3. The below table should be used to establish the incident limits for each event

- Black Flag Penalties will be automatically assessed by iRacing when incident limits are reached
- Drivers will be disqualified from the event upon reaching the Car Incident Limit during a Race

Session Type	Car Incident Limit	Incidents Before First Warning	Warning Every X Incidents
30 Minute Points Race	34	17	5
Daily Practice Session	34	17	5
90 Minute Points Race	68	34	10
